## Daniel Schmidt

- Ability to work independently and problem solve in a fast-paced environment. - Effectively communicate with customers and teammates. - Strong technological aptitude. - Knowledge of Windows, Word, Excel, Linux, Bash.

Some people put a summary here. Note: there are many  $\text{\LaTeX}$  variables you can set in the preamble to change the look of the CV.

### Work Experience

*1593–1609*    Wrote and produced plays for the Queen, and then for the King. He really liked them a lot, but they reminded him of plays by this guy, the Earl of Oxford.

You can have several paragraphs in the same topic entry

### Education

*1577–78*        My Dad taught me stuff.

*April to May 1581*

Tried high school. Hated my English teacher. [note how a line-break is inserted if your subtitle is too long]
